The Secretary, Sree Narayana Trusts has requested Government permission to convert B.Sc Industrial Microbiology course sanctioned in 1999 in SN College, Alathur, as B.Sc Microbiology. One post of Lecturer was also sanctioned for Industrial Microbiology.

The Director Collegiate Education has reported that the Course Inspection Committee of the Calicut University had found that the Laboratory facilities in the SN College Alathur is not sufficient to conduct the course BSc Industrial Microbiology and they recommended to change the course to BSc Microbiology. BSc Industrial Microbiology was sanctioned in the college conditionally vide GO(Ms) No.162/99/Hed dt 06/12/99 and is regularized as per the GO(MS) No.260/10/HEd dated 20/08/10 and sanctioned 3 posts for the workload of 56 hours. The DCE has also reported that if the course is changed to BSc Microbiology there will not be any additional workload and posts needed, and no additional financial commitment to Government. Hence it is recommended to convert BSc Industrial Microbiology as BSc Microbiology sanctioned to the S.N.College, Alathur vide G.O.s read as first and second above.

Government have examined the matter in detail and are pleased to issue order to convert the B.Sc Industrial Microbiology course sanctioned to S.N College, Alathur as B.Sc Microbiology as recommended by the Director of Collegiate Education. There will not be any financial commitment to Government pursuant to this change.
